PROFESSIONAL SUMMARY

Account management, customer success and compliance professional with experience across VIP mobile gaming, KYC/AML and crypto/merchant support, U.S. mortgage operations, and travel services. Managed **3,000 VIP players**, approximately **300 customer interactions daily**, and supported approximately **\$300K in monthly transaction value**, while maintaining **90% VIP retention**. Experienced in high-volume KYC/AML processing, customer escalations, technical troubleshooting, reporting, documentation review and cross-functional coordination.

PROFESSIONAL EXPERIENCE

Senior Consultant — Mobile Gaming (VIP Player)

IntouchCX, Bengaluru, India | 2023–2026

- Managed a portfolio of **3,000 VIP players**, handling approximately **300 customer interactions daily** across Facebook and email.
- Maintained **90% VIP player retention** through personalized engagement, payment validation, in-app purchases and proactive issue resolution.
- Supported approximately **\$300K in monthly transaction value** through VIP payment, top-up and in-app purchase activities.
- Resolved player issues in an average of **2 minutes**, maintaining fast turnaround for high-value players.
- Resolved approximately **10 technical issues**, including login errors, feature bugs and application-performance issues, by reproducing issues and documenting findings for development teams.
- Managed approximately **2 VIP refund escalation per month**, providing personalized communication and coordinating resolution for high-value players.
- Produced daily and weekly operational reports supporting **10 stakeholders** with issue-volume, resolution-status and case-trend insights.

AML Officer & Crypto/Merchant Support Specialist (Previous Project)

IntouchCX, Bengaluru, India | 2023–2026

- Processed approximately **1,100 KYC cases monthly** through customer verification and documentation reviews.
- Handled approximately **450 AML cases monthly**, supporting compliance reviews and escalation of potential financial and regulatory risks.
- Maintained **100% reported QA/accuracy** while working to a **60-minute SLA**.
- Supported approximately **100 merchants/customers**, resolving wallet-access, payment and transactional issues while maintaining compliance requirements.
- Delivered technical and transactional support to cryptocurrency users and merchants, resolving payment errors and platform-related issues.

Senior Travel Consultant

Olive Tours, Dubai, UAE | 2022–2023

- Led and mentored a **15-member Dubai operations team**, coordinating daily activities and service delivery.
- Managed approximately **95 bookings per month** across international and domestic flights and customized tour packages.
- Supported approximately **110 customers per month**, tailoring travel arrangements to individual requirements.
- Coordinated vendor communication, payments and booking confirmations to ensure accurate and timely completion.

Title Processor — Mortgage

Avanze Technologies India Pvt. Ltd., Bengaluru, India | 2020–2022

- Processed approximately **550 U.S. mortgage files monthly**, reviewing borrower documentation and financial information.
- Reviewed approximately **110 individual mortgage documents monthly** for completeness, accuracy and compliance.
- Maintained **98% accuracy** while completing mortgage processing within a **24hrs SLA**.
- Reviewed title reports and borrower information to identify potential risks, discrepancies and documentation issues.
- Compiled and finalized mortgage documentation packages to support accurate and timely processing.

KEY ACHIEVEMENT METRICS

3,000 VIP players managed · **90%** VIP retention · **\$300K/month** transaction value supported
1,100/month KYC · **450/month** AML · **100%** reported QA/accuracy · **550/month** mortgage files · **98%** mortgage accuracy
